DESCRIPTION

Fuoriclasse Leon Grappa Riserva 7 Years Old is the most exclusive production of grappa that matures for several years in wooden barrels. The selection of the finest Crus from regions in Italy dedicated to vine cultivation and the expert distillation process are the initial steps in achieving top-quality grappa. Subsequently, the grappa is aged for many years in precious cherry and oak barrels, resulting in a superior distillate with warm notes of grapes, vanilla, and spices.
