Lemoncello Toschi

SAQ Code: 15542689
Format: 500 ml

Bronze medal - at the *International Wine & Spirit Competition (IWSC)* in London (2017)
“Taking advantage of Easter to fill their table with the best products from their culinary heritage, our guests discover the Italian Limoncello Spritz, the ultimate aperitif cocktail. To surprise your visitors, try the Limoncello Spritz: one third **Toschi Limoncello**, two thirds Cantina Trevigiana D.O.C. Prosecco, ice, and you’re done!” — *Marie-Claude Di Lillo, Le Carnet de MC, April 2026*

DESCRIPTION

Toschi Lemoncello (Limoncello)
500 ml – Authentic Italian Lemon Liqueur

Discover the sunny taste of Italy with Toschi Limoncello 500 ml, crafted from a natural infusion of lemon peels, without any added colorants or preservatives. Each bottle captures the pure, refreshing intensity of Sicilian lemons.

Why Choose Toschi Limoncello?
100% natural infusion: carefully selected lemon zest steeped in alcohol, with no artificial colors or additives. Perfectly balanced (28% ABV): full-bodied yet smooth, highlighting the bright citrus flavor for an enjoyable drinking experience. Internationally recognized: Toschi Lemoncello (Limoncello) has won multiple awards for its quality and authenticity.

Serving Suggestions
- As a digestif: best served chilled or over ice, offering a crisp and refreshing finish to summer meals.
- As a cocktail base: ideal for aperitifs. Mix with tonic water or sparkling wine for a refreshing, elegant spritz. Garnish with a slice of lemon or a few mint leaves for extra flair.

Food Pairings
Its sweet-and-tart profile pairs beautifully with lemon desserts (tarts, sorbets, creamy pastries) and can also complement aged cheeses, creating a harmonious contrast.

Toschi Lemoncello 500 ml is an authentic Italian lemon liqueur made from natural lemon peels, without colorants or preservatives. At 28% ABV, this award-winning limoncello delivers a fresh, balanced flavor—perfect served chilled as a digestif or as a sparkling aperitif with tonic water or sparkling wine.
