

BACCANO Rosso Toscano IGT

SAQ Code:

Format: 750 ml

DESCRIPTION

Presenting a ruby red colour with slight hints of garnet, Baccano catches the eye with the promise of great tasting wine. With its intensely fruity bouquet of red berries, this joyful full-bodied wine offers a well-harmonised balance of crisp tannins and a lively nerve of alcohol and acidity that help carry a long-developing finish on the palate. Easy to drink on its own, this "Super Tuscan" also pairs beautifully with rich, earthy dishes, like antipasti with cured meats and aged hard cheeses, grilled mushrooms with goat cheese and herbs, as well as savoury vegetable or meat dishes, like a lush Portobello mushroom lasagna, or a rich and hearty lamb osso buco. Serving temperature: 16° C.
