TERRA e CIELO Igt Toscana rosso

SAQ Code: 15151493
Format: 750 ml

DESCRIPTION

Discover "Terra e Cielo," a meticulously crafted red wine that showcases the utmost quality of Sangiovese produced by the estate. Selected from the finest vineyards covering 0.6 hectares of sandy-loam soil enriched with shale, these 20-year-old vines thrive at an altitude of 250 meters above sea level. After 20 days of maceration, the wine undergoes a 12-month aging process in used oak barrels and large casks, followed by an additional 12 months in cement tanks. Bottled without filtration or stabilization, this elegant wine captivates with its aromas of cherry, plum, spices, and balsamic notes, accompanied by a velvety and persistent tannic structure. Enjoy "Terra e Cielo" with meat-based pasta dishes, roasts, game meats, or grilled red meats for a remarkable culinary experience.
