DESCRIPTION

Discover the authentic essence of Italy with Le Masserie, a newly introduced dry red wine offered at a budget-friendly price. Hailing from the renowned producer Losito e Guarini, nestled in the sun-kissed landscapes of Puglia, this wine embodies the seamless blend of tradition and modernity.

Established in 1910, the house of Losito e Guarini crafts both typical and contemporary wines from their favored regions: Puglia and Lombardy. By nurturing their own vineyards and collaborating with trusted master winemakers, they ensure an exceptional quality.

Le Masserie, with its Sangiovese and Merlot grape composition, reveals an intense red hue and unveils subtle aromas of cherry, strawberry, and forest floor. With an alcohol content of 12% and a dry sugar level of 4.6 g/L, it strikes a harmonious and pleasing balance.
